Jenny has been a professional comedian for over a decade and has trained in improvised comedy in North America with Second City, Loose Moose Theatre and has performed at festivals and venues all over the world.

She won the ABC iView Pitch Perfect Award for her web series concept "*Viking Mama!*" (based on her live show of the same name), Best Variety Show at United Solo Festival NYC, the Award for Excellence in Cabaret at Melbourne Fringe and is a Green Room Award nominee for Best Cabaret Writing.

Her debut web series "*How Me Parent Good: And You Can Too!*" won Best Conceptual Web Series at the Palm Springs International Comedy Festival, Best Web Series at the Worldwide Women Film Festival and the AusMumpreneur Big Idea Award.

Since 2018, The Funny Mummies Comedy Gala has been performed in more than 30 venues the length and breadth of Queensland, from Goondiwindi and St George in the South, to Normanton and Innisfail in the North.

In 2018-2019, The Funny Mummies Comedy Gala was performed to packed audiences at the Sit Down Comedy Club, Brisbane, with whom it was co-produced.

In September 2020, The Funny Mummies Comedy Gala was the first performance tour in Queensland to hit the road following the partial lifting of Covid-19 restrictions, taking in venues across regional South West Queensland in an intensive two week road trip and has since reached more than 30 regional and rural venues across Queensland.

## ABOUT THE SHOW

### SHOW SYNOPSIS

The Funny Mummies™ Cabaret Spectacular is a cabaret showcase performed by mothers for mothers, blending stand-up, musical comedy, physical theatre and more to create a one-of-a-kind experience.

Three mama performers, allowing and encouraging the audience to laugh at their own stories of the shit parts of parenthood, tales of epic mothering fails and ever-relatable domestic dramas.

# Funny Mummies Cabaret Spectacular

"The show was packed to the rafters with women, the line-up of mother comedians was fantastic and everybody had a wonderful time!" Sam Jockel, Founder of School Mum and ParentTV

As a comedy and cabaret show, this is a production of technical simplicity, which promotes the coming together of a community of like-minded mothers to experience some much needed comic relief from the stress of day-to-day parenting.

*"Congratulations on an awesome show...the atmosphere was electric."* **Fedele Cristi, Sit Down Comedy Club**

This show is more than just a good laugh: we hope that it allows mothers to improve their bond with each other through shared catharsis. We want them to bring their friends, their family, their own mothers... in the hope that by sharing this experience together they'll be inspired and encouraged to share more with each other and remind each other how to turn their own moments of failure and exhaustion into laughter.

Headlined by Jenny Wynter, there is a talented group of mamas performing as MCs and supporting acts, enabling the Funny Mummies Cabaret Spectacular to adapt and change, giving the potential for fresh periodic shows at the same venues.

## ACKNOWLEDGEMENTS

## **LISA MCKAY – PERFORMER**

Lisa has performed in various venues nationally and internationally as a vocalist and stand-up comedian, including Brisbane Powerhouse, Brisbane Jazz Club and The Sitdown Comedy Club and sell out shows at the Adelaide Fringe Festival with her comedy cabaret, The Really Real Housewife of Surfers Paradise as her alter ego Mercedes DeLuca-Jones.

Lisa was part of the Funny Mummies Cabaret Spectacular at the WOW Festivals in Longreach and Cairns in 2022.

## **KAT DAVIDSON - PERFORMER**

Who has 20 years comedy experience, brilliant stories and keeps the laughs coming, no matter who is in the audience? This lady....

Seeing Kat on stage is like visiting an old friend you haven't met yet. She's shared the stage with the world's best comics (Stephen K Amos, Steven Wright, Dave Hughes to shamelessly name drop a few), tamed a shed full of drunk miners, kept a 17 year marriage off the rocks and is currently being parented by her five year old.

Equally at home in a corporate venue or a room full of hens and bucks, Kat brings a fresh and intelligent view to her comedy. She tackles relationships, observations and random events with equal passion and her unique storytelling ability takes her audience along with her for the ride.

Kat has been a professional improviser since 1993, hosted Gala Events, coached blue chip companies in communication and worked a crowd from the back of a cattle truck. Occasionally, all at the same time!

# Funny Mummies Cabaret Spectacular

She can be heard regularly across Queensland ABC radio and has headlined the best clubs in Australia and Canada. She is also the co-producer of the highly successful Ladies Comedy Nights in Brisbane, can regularly be found at sea performing for huge crowds on P&O Cruise ships and enjoyed sell out seasons of her original show Untidy at the 2012 Brisbane Comedy Festival and husband and wife co-production He Said, She Said (with husband Stav Davidson) at Wonderland Festival, venues around Brisbane and P&O ships since 2016.

## **BRIDGET BOYLE – PERFORMER**

As an actor, Bridget performed with Queensland Theatre Company in major productions from 2001 – 2007, and was nominated for Best Female Actor in a Music for the 2005 Helpmann Awards and a national finalist in the Triple J Raw Comedy Competition in 2004.

## **JASMINE FAIRBAIRN - PERFORMER**

Hailing from Canada, Jasmine has been a professional stand-up comedian for five years.

She regularly hosts for Based Comedy, Knockoff Comedy at Brisbane Powerhouse, Heya Comedy and SBC Comedy and is a regular panelist on ABC612.

She toured her debut solo comedy show 'Swimming the Seas of Failure' to Canada at Loose Moose Theatre, Adelaide Fringe Festival and Bris Funny Fest to sold-out audiences. This year she performed her award-winning

She has supported Fiona O'Loughlin, Danny Bhoy, Greg Fleet, Mel Buttle and more.

## **CAROLYN MANDERSLOOT - PERFORMER**

Carolyn Mandersloot's comedy is like having a good biscuit and a cup of tea with your hilarious best friend. Only better.

She weaves together a narrative exploring the grand complexities and challenges of the human experience - birth, life, death and parenting teenagers. Carolyn draws her experience of palliative care nursing to deftly hold a compassionate space in which audiences can laugh at the both the unthinkable and the undeniable.

Carolyn gives us a whole hearted opportunity to swallow a heaping dose of laughter as the best medicine in the contemplation of our own mortality. Quite

# Funny Mummies Cabaret Spectacular

literally, you will laugh until a little bit of wee comes out and she is quite ok with that.

## **VANESSA CONLIN – PERFORMER**

A scientist in a previous life, Vanessa Conlin now writes and makes LOLs for a living. Cheeky and thoughtful, Vanessa is quickly making a name for herself in various comedy circles. Having performed alongside some of Australia's comedy favourites, including Tom Gleeson, Celia Pacquola, Nick Cody, Becky Lucas & Matt Okine, Vanessa Conlin is one to keep an eye on!

## **JO GOWDA – PERFORMER**

Jo is an Indian born Australian stand up comic.

RAW comedy finalist in 2019 and 2020, Jo will disarm you with her quick wit and cheeky sense of humour. She describes herself as Australia's second best import (after cricket of course).

Jo uses her humour to break barriers, shatter stereotypes and incite thought. You'll find her humour relatable, amusing and sprinkled with dry wit.

## **LUCY PEUT – PERFORMER**

Lucy Peut is a comical writer, chatter, and wannabe barrister. Regaling you with tales of her thoroughly modern family, the crazy you can't medicate, and an ex still classed as dependent. This mature age student is drowning in youthful enthusiasm and inspired reasons to study. Why did Lucy choose law? To drink bottled wine and draft her own divorces.

Touching microphones for money wasn't always part of the plan, but neither was marriage and one of the kids. If you hear 'pay you back when I'm a barrister', you'll be waiting a while.

## **ELLEN BRIGGS – PERFORMER**

Ellen Briggs is an author, comedy writer, and professional MC but where she is most at home is on the stage doing stand up comedy.

Early on in her career, she was a finalist in the prestigious RAW Comedy competition and won a National Foxtel competition that was voted on by peers and managers in the industry. She has never looked back.

In 2017 Ellen was selected by the Melbourne International Comedy Festival to perform at the Melbourne Town Hall in UpFront, the women's comedy gala to over 2,000 people.

## AUDIENCE ENGAGEMENT

### OVERVIEW

This show is more than just a good laugh: we want women to come to the show with their friends, family, their own mothers and their daughters (over 18!) to improve their bonds and understanding of each other through shared catharsis.

Our hope is that by sharing laughter together they'll be inspired and encouraged to share more with each other and remind each other how to turn even their worst moments of failure, struggle and exhaustion into humour. It really is an epidural for life.

Funny Mummies touring parties aim to engage with the local communities prior to the Gala Shows (within the boundaries of Covid-19 safety practices).

# Funny Mummies Cabaret Spectacular

To achieve this end, we offer the following organised community engagement activities alongside the show:

- Story-sharing sessions;
- Writing with humour workshops;
- Opportunities for aspiring mother comedians;

“The session we had with Jenny Wynter yesterday morning was a thoroughly enjoyable experience for me. Her open and spontaneous way of communicating is inspirational as well as infectious and a fabulous tool for honing one’s presentation skills.” – **Workshop participant in Tour Guide communication skills workshop, QAG/GOMA.**

## DESCRIPTION / DETAILS

### Story-sharing sessions

These would be presented in association with local mothering-related organisations e.g. playgroups/mothers groups/daycare centres or and involve one or more of the comedians hosting an informal story-sharing circle. We encourage mothers to share their own experiences (funny, tragic, or just plain inspiring) with each other, with prompts on theme and topic to get creative juices flowing. This can be tailored to be as structured or as unstructured as necessary, by offering storytelling guidance if desired, or just facilitating sharing. We hope that communities are inspired to host similar story-sharing circles afterwards, ideally in a regular ongoing capacity.

### Writing with Humour workshops

Aimed at existing local writing, performance or creative groups, the comedians are available to run workshops on injecting more humour into your writing and how to structure jokes and generate comedic material. This is a fantastic opportunity for those already interested - or somewhat experienced - in writing to have access to comedic writing techniques which they can continue to incorporate into their work afterwards.

### Opportunities for aspiring performers

We offer an invitation - via local mothering networks and through social media - for any locals who would like to try their hand at stand-up comedy, to do so with our gentle guidance and support to present a 2-3 minute spot in the Funny Mummies show! With no pressure to do so (as we do understand that stand-up is terrifying to many!) we will nurture and support them with a rockstar welcome to encourage participation in a moment that will be the talk of their town.

# Funny Mummies Cabaret Spectacular

## WORKSHOP COSTS

Story-sharing sessions: \$450 for 90 minute session up to 20 participants;

Writing with humour workshops: \$600 for 90 minute session up to 12 participants;

Special rates can be negotiated for community groups and not-for-profit organisations particularly those aligned with our core mission of supporting the mental health of mothers, and women in general.

## PRESENTER COMMENTS

In the 2020 Western Queensland Tour, feedback was unanimously positive, scoring highly on engagement metrics including Local Impact (It is important this show happened in this community) – 90%, and Access (providing opportunities for shows not normally available) – 91%.

*“During this COVID 19 period of uncertainty and decline in opportunities to be social. This Comedy Gala was an injection of normality very much overdue. The community had the opportunity to catch up with friends have a night out, laugh until it hurt and go home with a renewed lease on life.”*

*“The touring crew who arrived in Quilpie the day before the performance took the time to interact with people and support local businesses within the Quilpie Shire. They were an absolute delight to have and we would welcome them back in the future with open arms.”*

*“We had anticipated 100 people, but quickly went to the maximum allowed under COVID safe rules in our venue... First social outing for live entertainment since pandemic was declared. I noticed a lot of health workers and elderly (60+) in the audience. Value to the community from a mental health perspective can not be understated.”*

*“I would especially like to acknowledge and shout out a very big thankyou to our Funny Mummies – Jasmine, Jenny and Carolyn, also the support crew for coming to Barcy and giving us your time, to share your humour with us all here tonight...*

*...Galas like this during these unprecedented times, and especially Comedy, helps us to cope with our social, emotional and mental well being.*

*I, and I’m sure everyone else here tonight, believes comedy is a great coping mechanism, and laughter is the best medicine to ingest on a regular basis throughout our lives.*

# Funny Mummies Cabaret Spectacular

*On behalf of myself, the custodians, and the wider community we hope you enjoy your stay in Barcaldine, and you travel safely on traditional countries throughout your journey.”*
